

Reg Distasi's "Sloppy" Rose

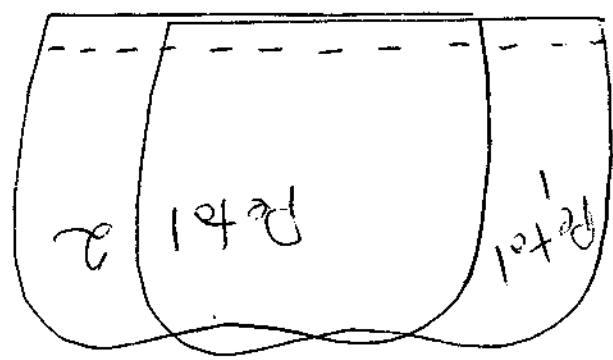

Cut on line - no seam allowance

gather petal along dashed line.

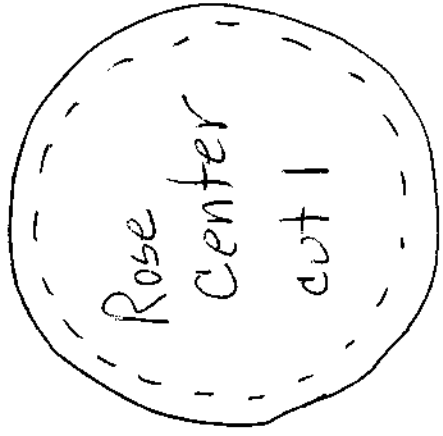

use hand quilting thread due to tugging, you don't want the thread to break half way around. Doesn't have to match, will be covered later.

Overlap petals by $\frac{1}{2}$ " when gathering.

Gather all 5 petals into tight circle & anchor to background fabric in center.

Now the sloppy fun begins... follow photos around rose

Gather around center with quilting thread.
Again doesn't have to match.

Pull gathers to puff up center, stuff
with batting & sloppy stitch to
rose center.
