

BOMer BEAUTIES
May, 2007

The blocks so far:

MARCH 2007:

Blazing Arrows

<http://www.quilterscache.com/B/BlazingArrowsBlock.html>

APRIL 2007:

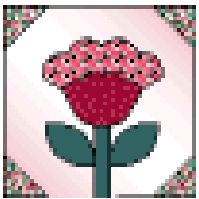

Arrowheads

http://mccallsquilting.com/qb/pattern_903/

Frolic Variation

http://mccallsquilting.com/qb/pattern_300/

Primitive Tulip Block

http://mccallsquilting.com/qb/blocks_o_p/

April Bonus Files: <http://www.quiltingboard.com/posts/list/876.page>

MAY 2007

Spider Web Star

http://mccallsquilting.com/qb/pattern_506/

Cabbage Rose

<http://www.quilterscache.com/C/CabbageRoseBlock.html>

Bonus Files include alternate instructions for block variations; for different construction methods; and for different sizes. This month's bonus includes:

Templates for an 8" Spider Web Star
Paper Piecing Patterns for 8" and 12" Spider Web Star

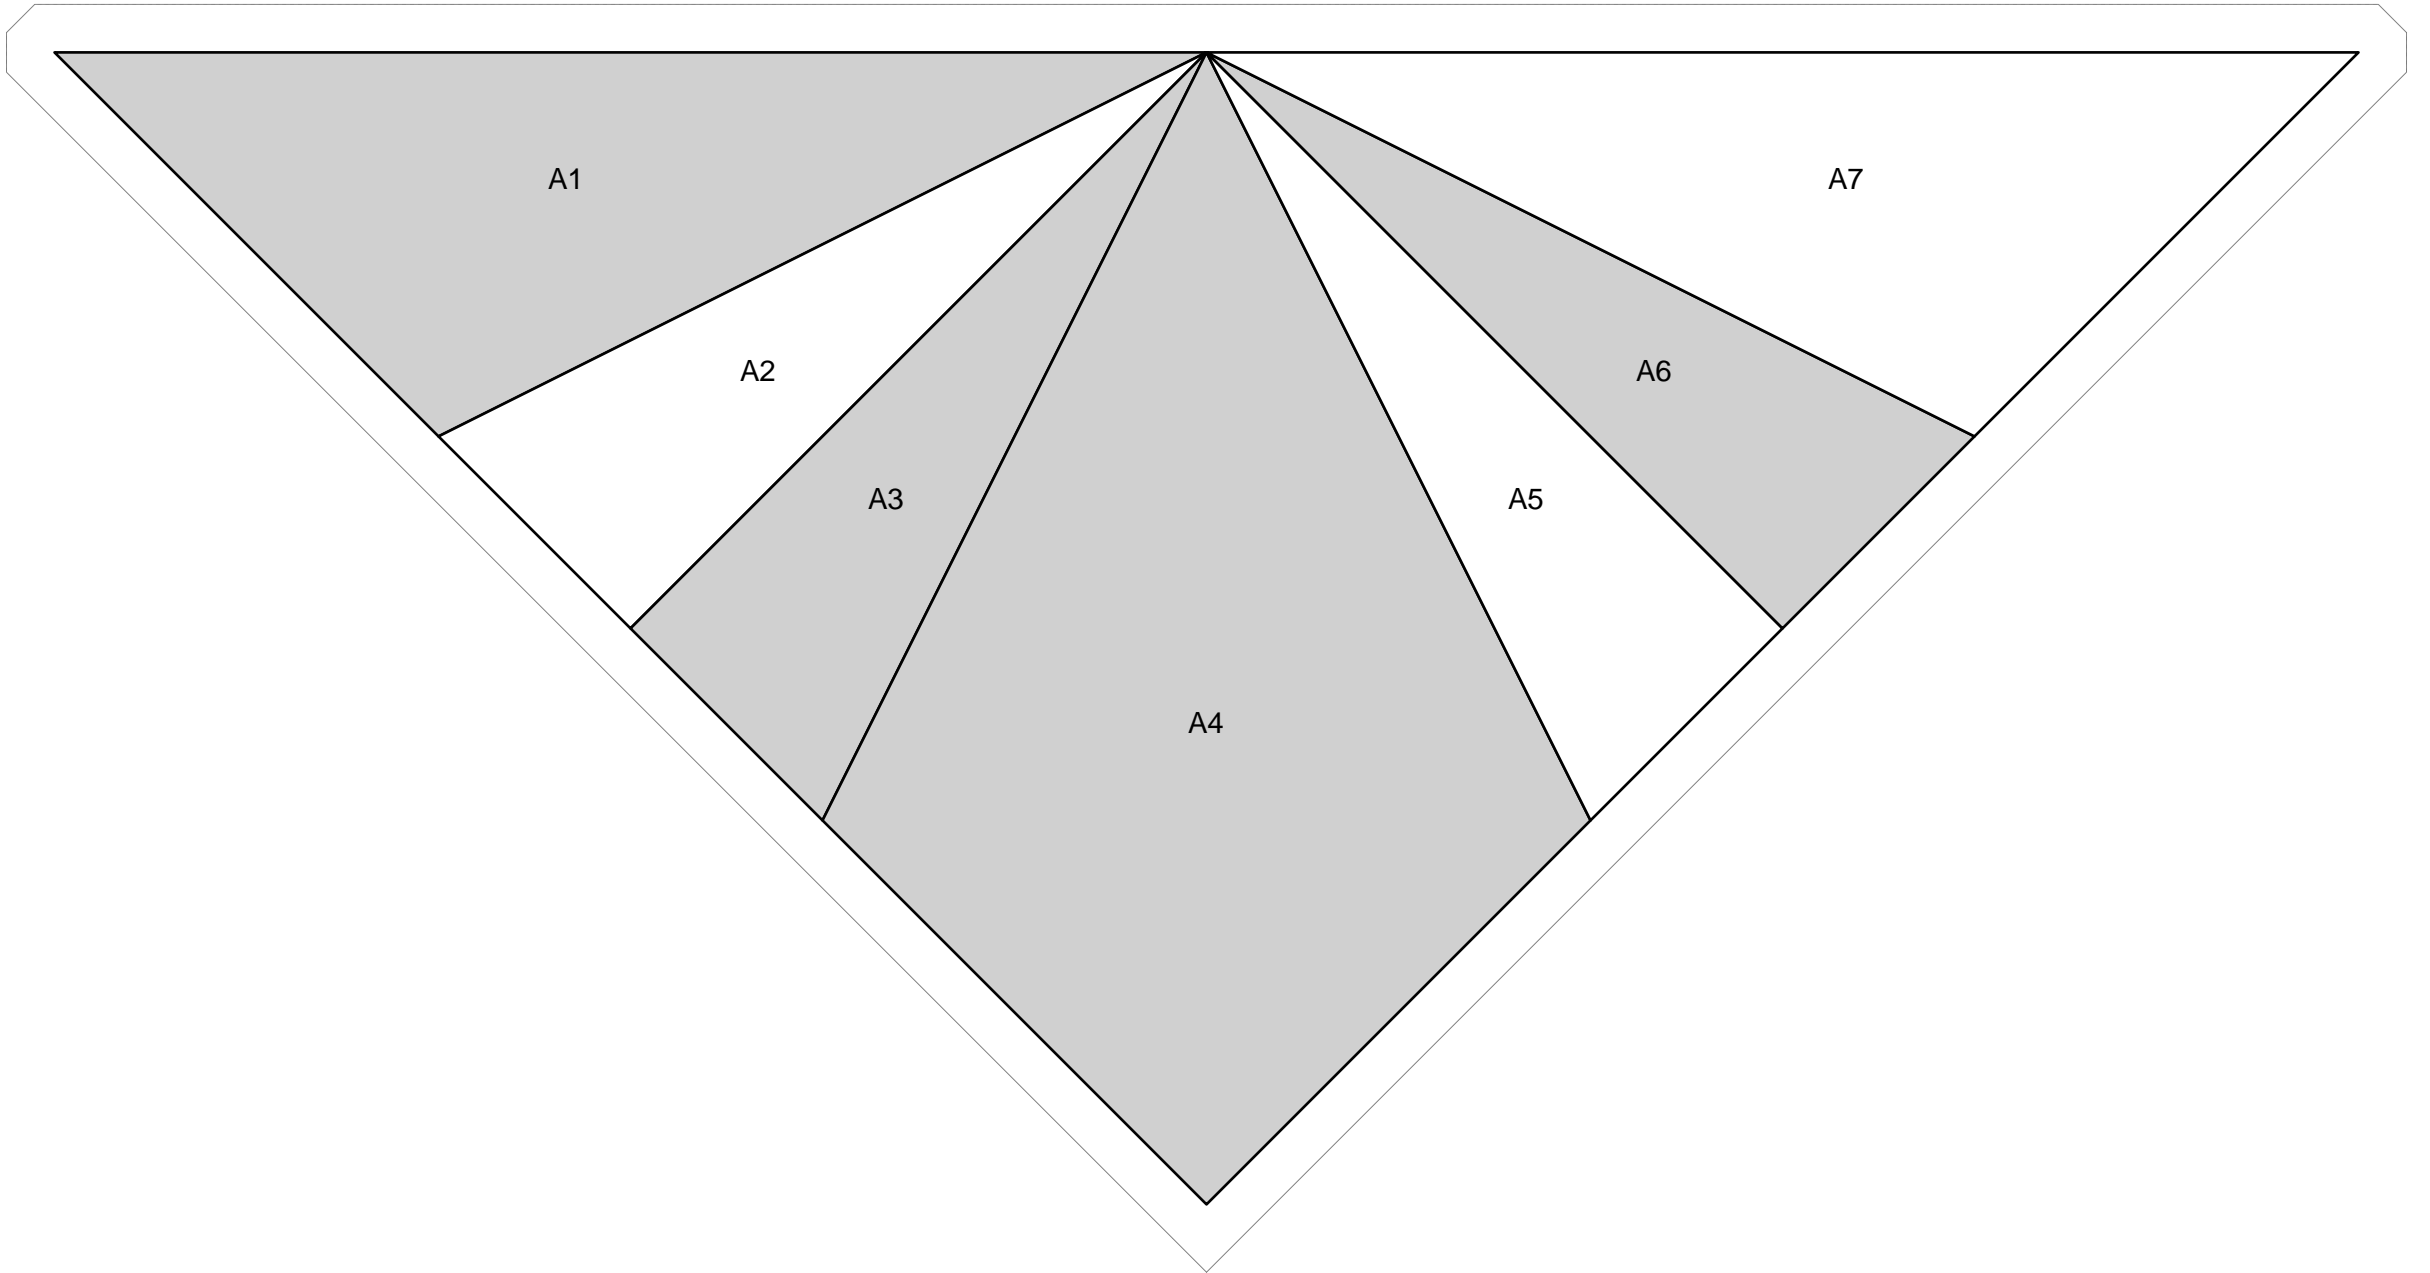

Templates for 8" and 12" Cabbage Rose
Paper Piecing Pattern for a 12" Cabbage Rose

The Bonus Files can be opened and printed using Adobe Acrobat Reader.

Before you print, DO NOT FORGET TO TURN OFF PAGE SCALING. If you forget, you'll still get beautiful blocks but they may not be the right size.

Also make sure to click the "Advanced" button and select "print as image". If you don't, the seam allowances may not print.

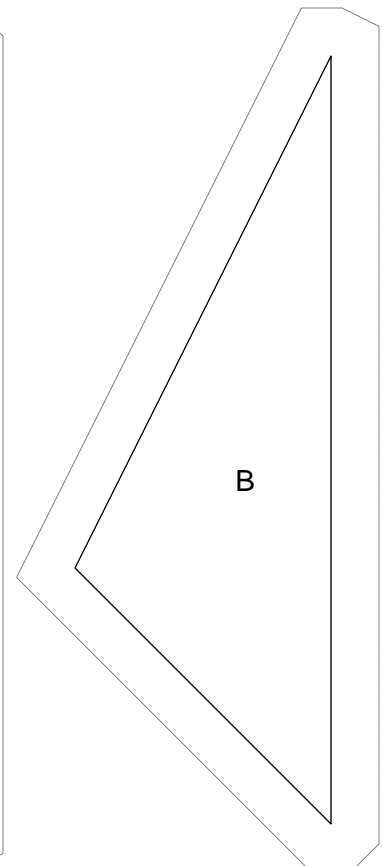

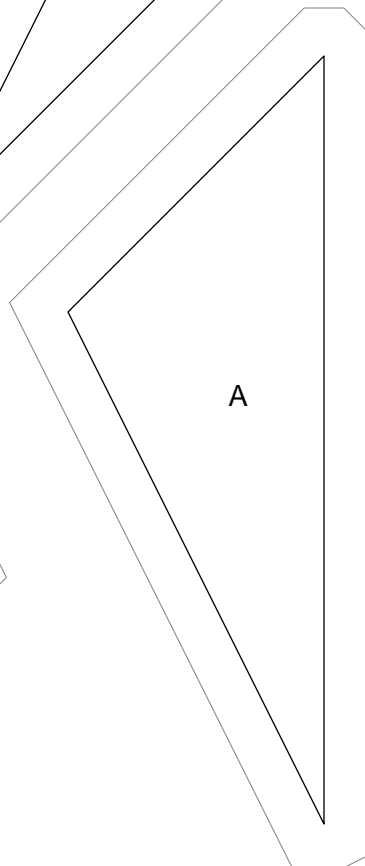

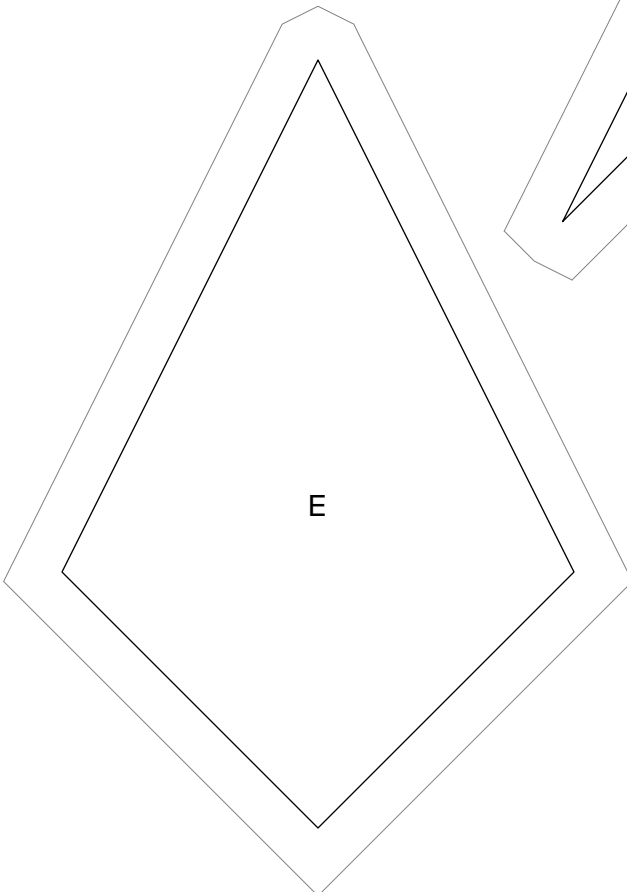

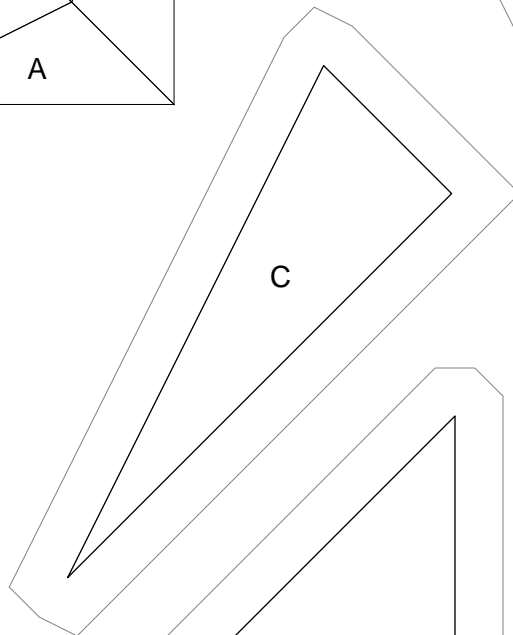

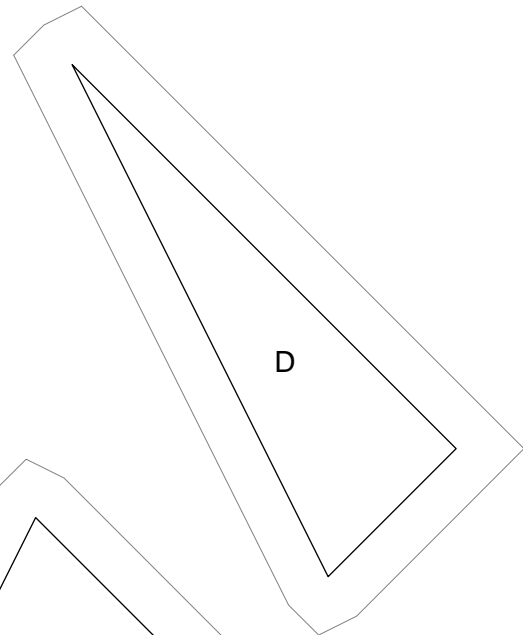

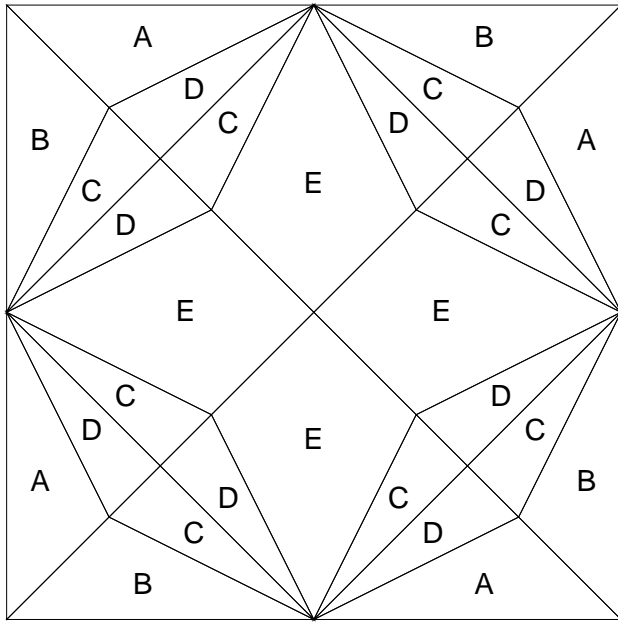

*

Pattern for "Spider Web Star" as 12.00 by 12.00 (inches) block, printed from EQ6! (Print and make 4. Rotate blocks 90 degrees to form the star

Spider Web Star

Key Block (2/5 actual size)

Spider Web Star

8.00 by 8.00 (inches) block, printed from EQ6!

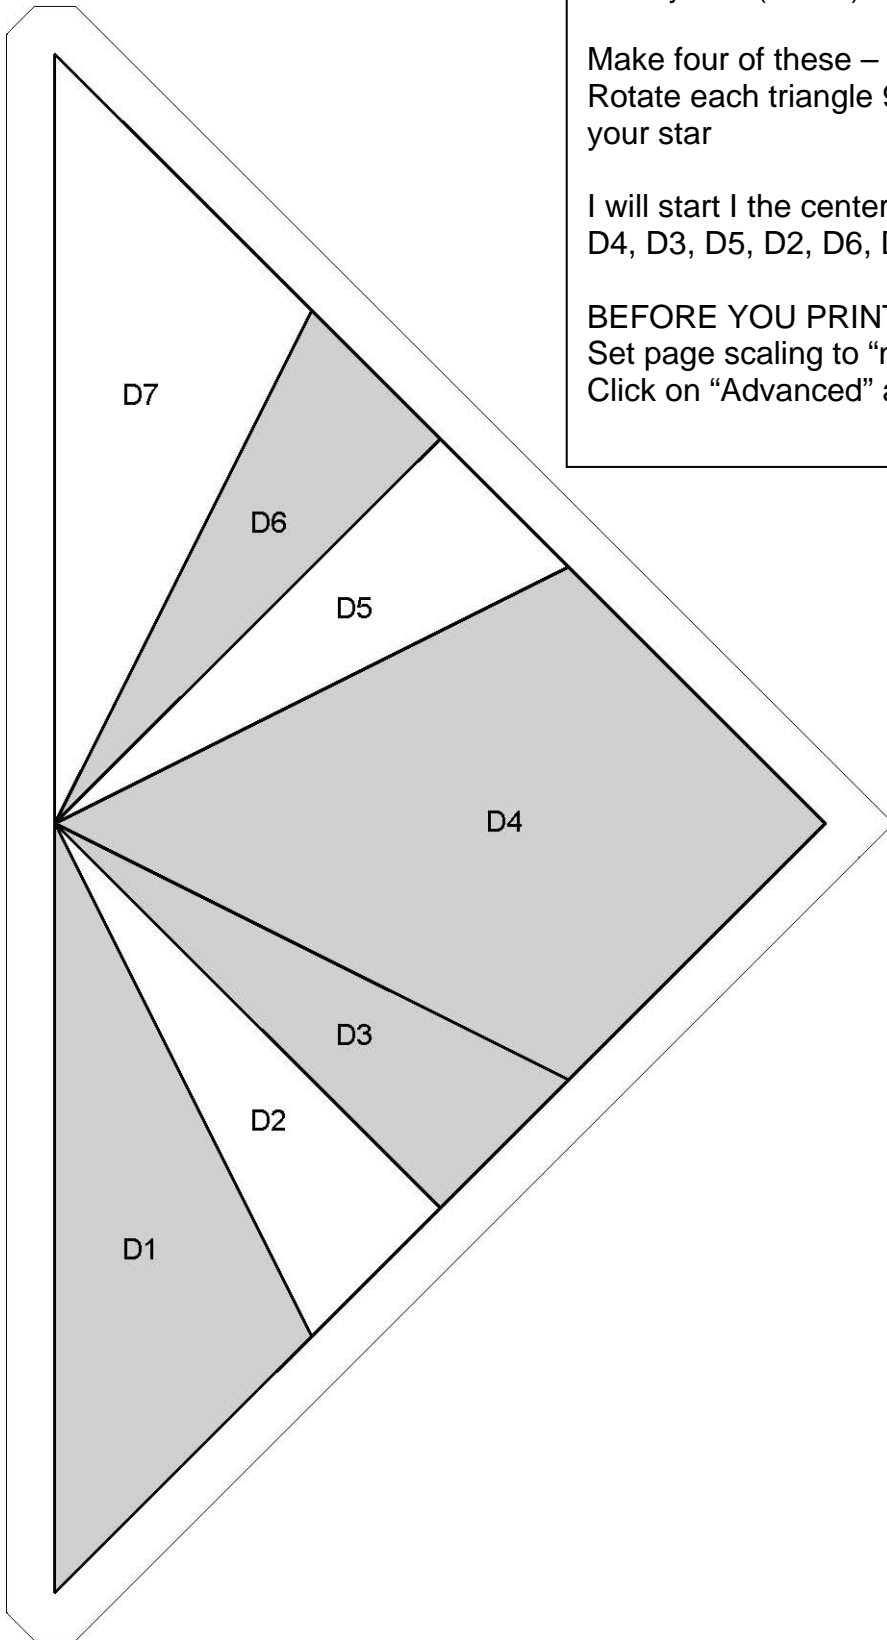

Make four of these – all colored in the same order.
Rotate each triangle 90 degrees, and you'll have
your star

I will start in the center and work my way out
D4, D3, D5, D2, D6, D1, D7

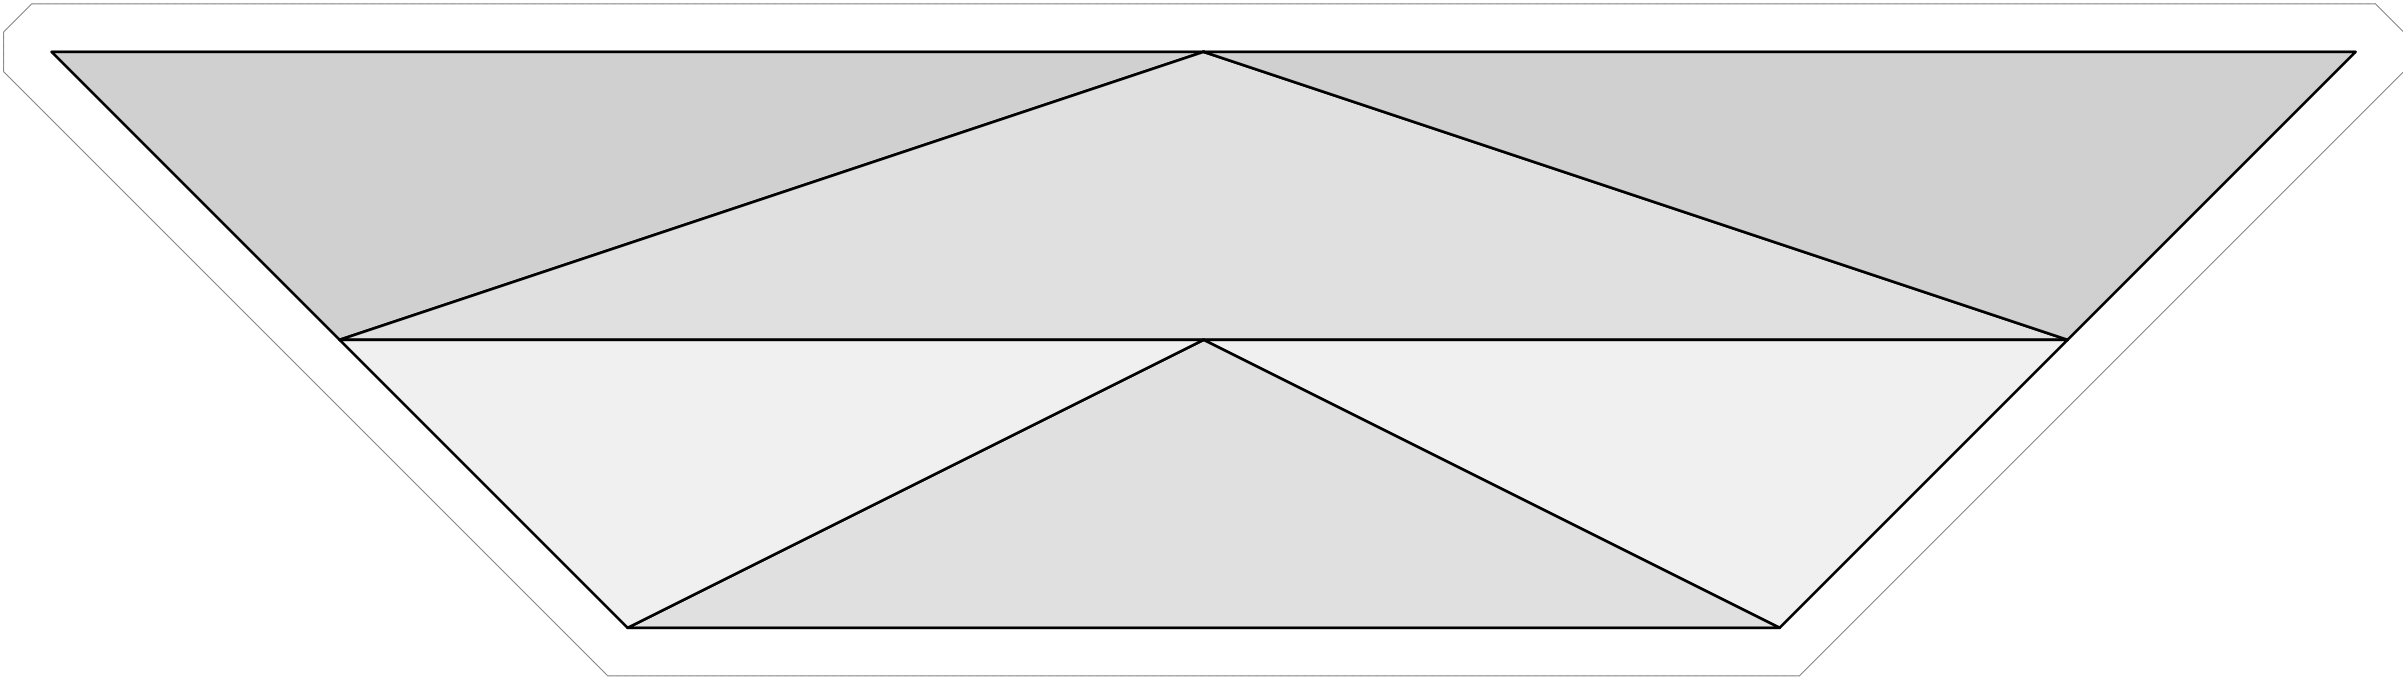

BEFORE YOU PRINT:

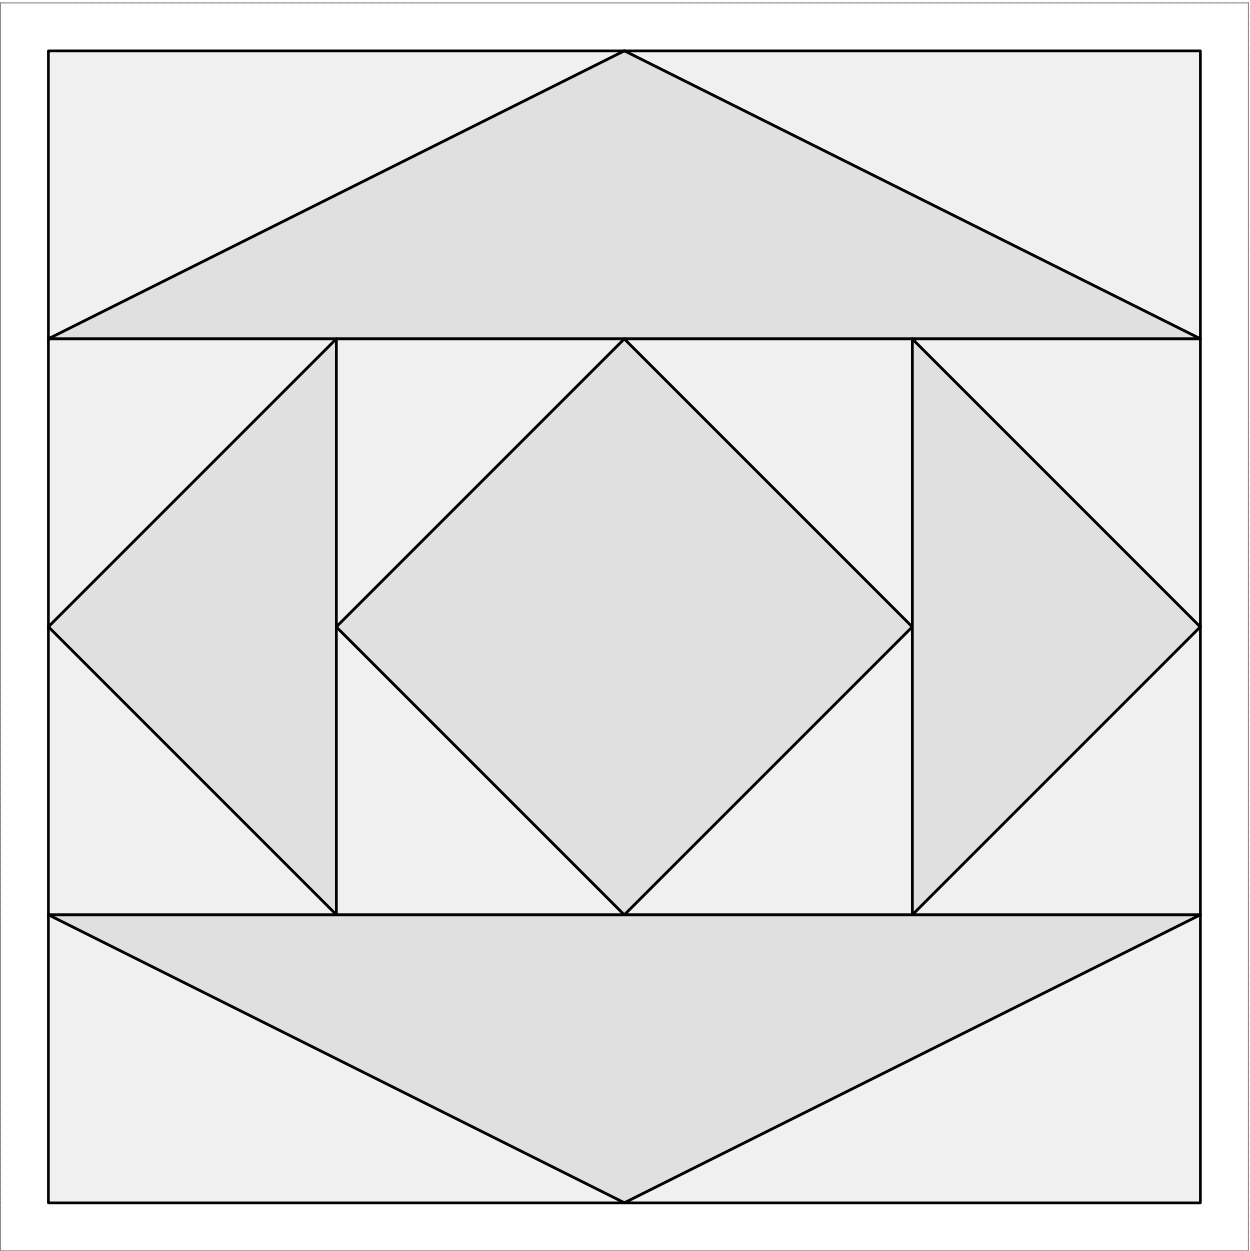

Set page scaling to "none"

Click on "Advanced" and select "print as image"
