

## STARTED WITH A "JACK IN THE BOX"

Can't remember where  
I got it, but I did stumble  
across another sample  
today at Dawn's  
Quilting Clipart Website

II DISCOVERED TODAY THAT THIS VARIATION HAS  
ALREADY BEEN PICTURED AT DAWN'S QUILTING  
CLIPART WEB SITE. IT'S NAMED "COLORADO" AND IS  
ON THE PAGE OF STATE QUILT BLOCKS. I DON'T  
KNOW IF IT'S TRADITIONAL OR OF HER OWN  
DESIGN. I JUST KNOW I DIDN'T DO IT FIRST.
