63" x 78" batting

PLEASE READ ALL INSTRUCTIONS BEFORE BEGINNING

- An accurate 1/4" seam is essential to the piecing of this quilt. All seams are sewn with 1/4" seams.
- When cutting the 8 1/2" x 9 1/2" rectangles for the lanterns on the fat quarters, be sure to cut the 9 1/2" side along the long edge (20") so you will be able to get three from each fat quarter.
- Cut the border strips (**F9013 4G-Black Gold**) first before cutting blocks. Since the fabric is directional pay attention to cutting directions.

Cutting (WOF = width of fabric)

From each of the following:

F9017 6G-Brown Gold

F9013 78G-Scarlet Gold

F9016 78G-Scarlet Gold

F9013 6G-Brown Gold

F9016 4G-Black Gold

F9017 4G-Black Gold

F9014 78G-Scarlet Gold

Cut **three** 8 1/2" x 9 1/2"

From each of the following:

F9017 78G-Scarlet Gold

F9016 4G-Black Gold

Cut **two** 8 1/2" x 9 1/2"

F9016 33G-Cream Gold

Cut **eight** 1 1/2" x WOF

Cut **(14)** 2 1/2" x WOF; sub-cut into **(120)**
2 1/2" x 2 1/2" and **(40)** 2 1/2" x 4 1/2"

F9014 78G-Scarlet Gold

Cut **four** 3 1/2" x WOF strips

F9012 4G-Black Gold

Cut **two** 5 1/2" x WOF strips; sub-cut into
(50) 5 1/2" x 1 1/2"

F9013 4G-Black Gold

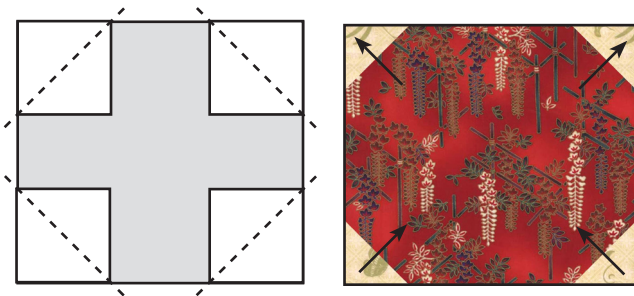

This fabric is directional so you need to cut
two lengths 5 1/2" x 57 1/2" parallel (same
direction as) the selvage edge for the top
and bottom borders first.

Cut (4) 5 1/2" x WOF for the side borders
Cut 260" total for the binding by piecing
2 1/4" strips from the remainder of the
fabric.

Block construction: **Make 25**

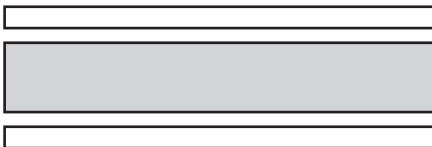

Draw a diagonal line on the back of **100** of the **F9016 33-G Cream Gold** 2 1/2" squares.

1. With all of the 8 1/2" x 9 1/2" rectangles, place the 2 1/2" squares right sides together on each of the corners and sew along the diagonal line. Press the top triangles to the corners and the bottom to the center. Trim seams to 1/4".

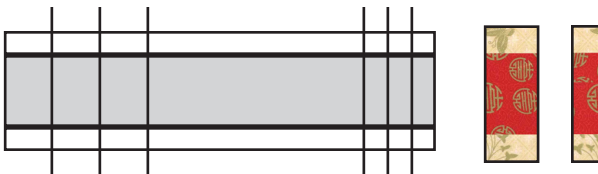

Sash Construction

2. Sew a **F9016 33-G Cream Gold** 1 1/2" strip to both sides of a **F9014 78G-Scarlet Gold** 3 1/2" strip. Repeat with the other 1 1/2" and 3 1/2" strips to make **four** total strip sets.

3. Cut the strip sets into **(20)** 2 1/2" sections and **(10)** 1 1/2" sections. Press to center.

4. Sew a **F9012 4G-Black Gold** 1 1/2" x 5 1/2" to the top and bottom of the **(20)** 2 1/2" section and to one side of the **(10)** 1 1/2" sections. Press to dark.

5. Sew a 2 1/2" x 4 1/2" **F9016 33-G Cream Gold** to each side of the 4 1/2" set. **Full sash**

6. Sew a 2 1/2" x 2 1/2" **F9016 33-G Cream Gold** to each side of the 2 1/2" set. **Half sash**

Assembling the quilt

7. Instead of piecing the quilt in horizontal (across the quilt) rows, it would be easier to piece them in five vertical rows (down the quilt). Be sure to layout and rotate the blocks so that the corner triangle seams go in opposite directions before sewing.

8. Starting with a half sash at the top, alternate the block and full sash, ending with a half sash (rotated). See photo of quilt to aid in laying out the blocks. The layout is five blocks down and five blocks across. Press to sash.

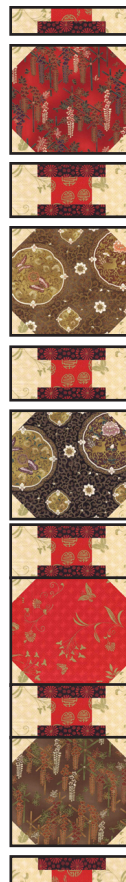

Borders

Sew the (4) short 5 1/2" border strips with diagonal seams. Measure through the vertical center of the quilt and trim two borders to this measurement. Sew to sides.

Measure through the horizontal center of the quilt. Trim the two 5 1/2" x 57 1/2" border strips to this measurement and sew to top and bottom.

Layer, quilt, and bind with the 2 1/4" binding strips using a French binding technique.

Remember to put a label on the back and ENJOY!
