Auto Needle Positioner

Your TinLizzie18 Sitdown model has the ability to use the foot control to stop in the needle up or needle down position, along with soft touch buttons at your fingertips, minimizing the bending or breaking of needles.

Built-In Bobbin Winder w/ Large Bobbin

Your TinLizzie18 Sitdown model offers a built-in bobbin winder that winds while you quilt, so your next bobbin is always full and ready. It also features the largest available bobbin capacity, the M-size bobbin.
