

## *TWISTED BARGELLO* Fabric Key

Graduate your 20 fabrics light to dark as desired. If you are working with several colors, you may prefer to group the tones of each color. Trim a swatch of each fabric and fill in the chart below by gluing fabrics below the corresponding number #1 through #20. Be sure the swatch is large enough to be recognized. You will be using this chart all through the piecing process.

Fabric	1	2	3	4	5	6	7	8	9	10
