Watercolor Quilt pattern!

Yellow Rose

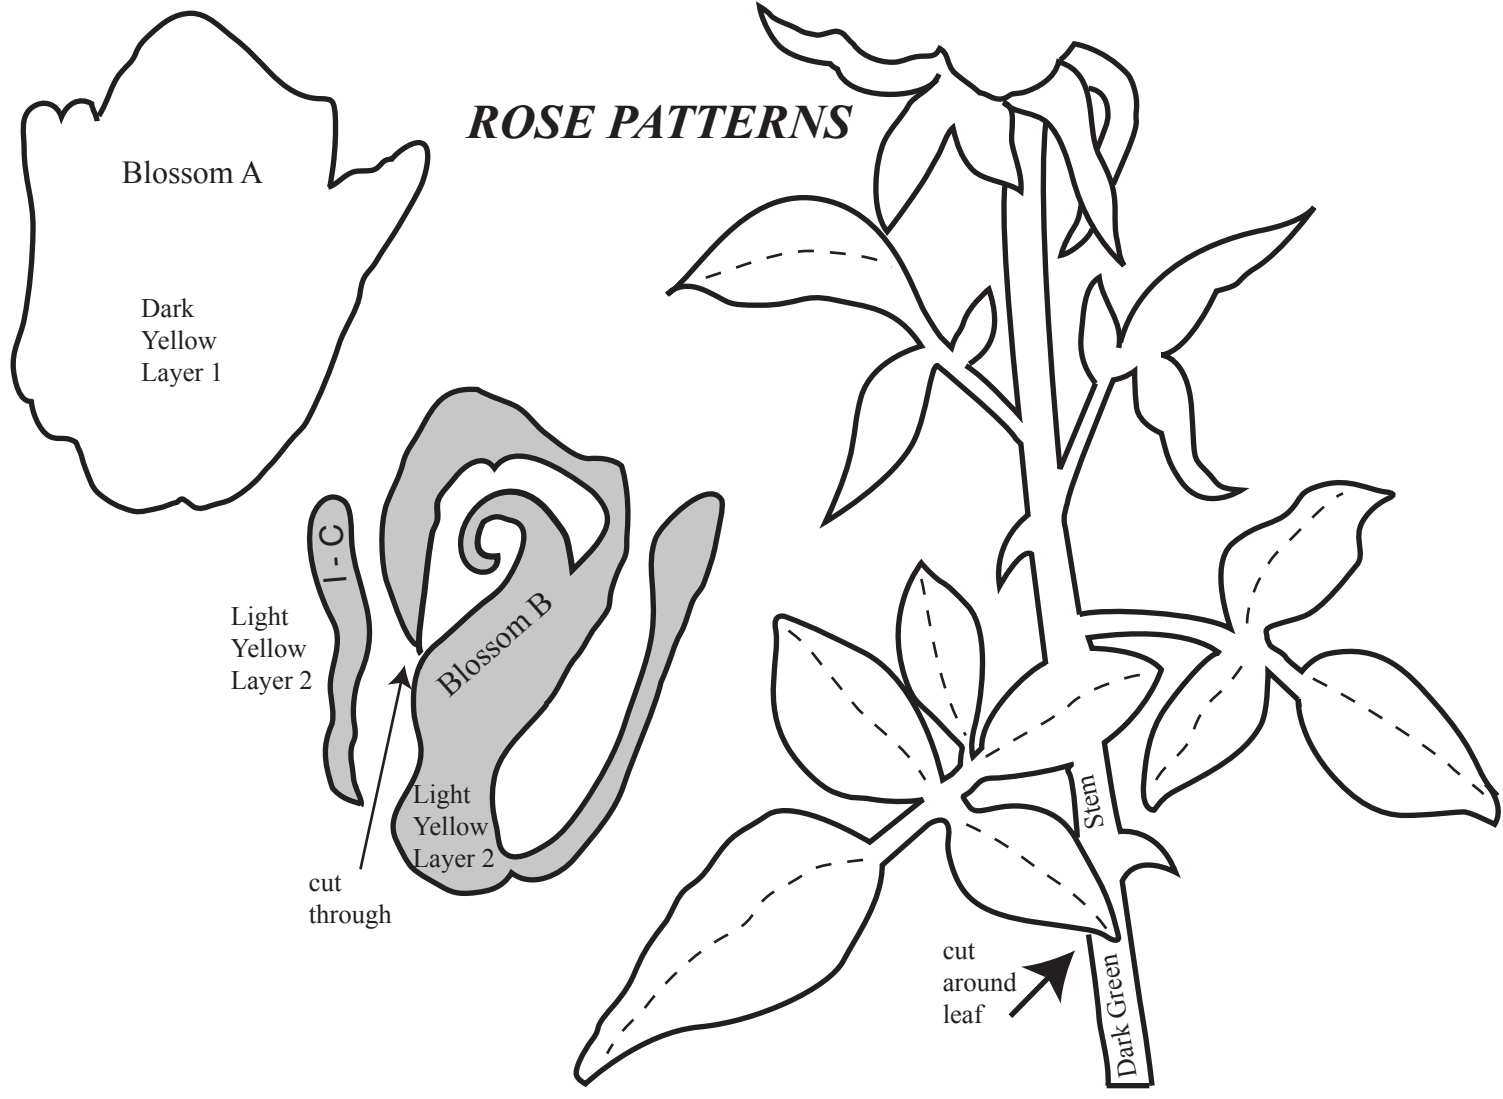

Designed by Mim Schlabach

1. **Cut** 15 light, 15 Medium, and 15 dark, 2" squares from a variety of Watercolor fabrics, primarily from floral fabrics (with medium sized flowers)
2. **Lay out** the squares onto 2" pre-marked Quilt Fuse referring to the graph below. Fuse in place following the Quilt Fuse instructions. Stitch all of the vertical seams and press all one direction. Repeat with the Horizontal seams.
3. **Trace, cut, and apply the** stem and leaves from a green textured look fabric (Such as a Moda Marble or Maywood Studio's Shadow Play.)
4. **Trace, cut, and fuse on** the background **blossom** from dark yellow fabric with textured look, using Steam-a-Seam II. Cut the blossom overlay from light yellow fabric with textured look, lay it *over* the darker yellow petals and **fuse** into place as shown.
5. **Machine Quilt** around rose, stem and background if desired. Enjoy!!

Please Note: **A Kit for Yellow Rose of Texas is available for purchase!** Complete with Watercolor fabrics... pre-selected, die cut and pre-sorted into Dark, Medium, and Light 2" squares. You will also receive the appliqué fabrics, patterns and color photo in the kit. Quilt Fuse and Steam-A-Seam, is sold separately. Border available. The Yellow Rose of Texas Watercolor Quilt Kit is \$16.95.

A Splash of Sunshine for a small wall area or pillow! The Yellow Rose of Texas Watercolor Quilt designed by Mim Schlabach is easy to assemble...a great beginner Quilt kit! Finished size is 9" x 9" without borders.
