HOW IT BEGAN

“Quilt Walk” began when Ottawa Park called local artists to submit a drawing for the theme ‘Barns’ for the Fall through Spring exhibit. The artistic committee was surprised when they not only received barn images, but also quilts. Quilts on barns and a barn quilt. The selection of the four panels in Ottawa Art Park (2 barns, a barn with barn quilts on it and a barn quilt). It is from this the idea of making quilt blocks to be placed in windows and buildings throughout town for a quilt walk”. Spearheaded by Sandy and Harold Borowicz, Elaine McIntosh, Terry Hecko, and Sue Stempky over 80 quilt blocks were made. Today, you can stroll through downtown Cheboygan and view these colorful quilt blocks.

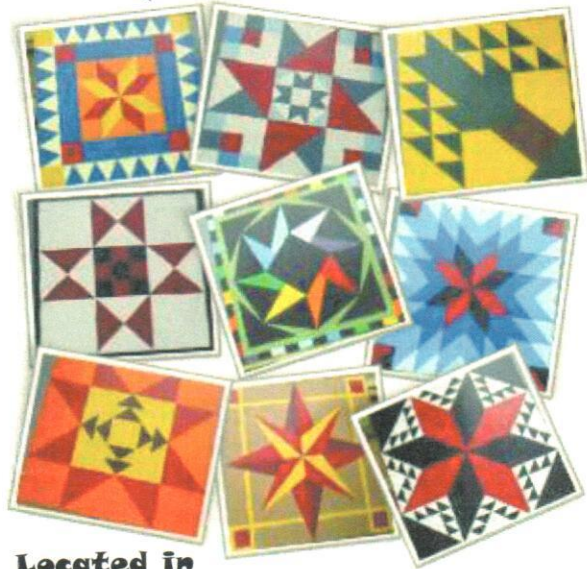

Pictured are the quilt blocks, the name and address of the business, and the name of the pattern. Enjoy your walk.
